Boot camp

Le Wagon Coding Bootcamp [🔗](#)

Jul 2022 – Sep 2022 | Online

9-week full-time intensive coding Bootcamp. From the database to the user interface, learn all the skills of a Full Stack Software Developer and code web applications from scratch and implemented the production of a clone of AirBnB and a Rails prototype of Travel Map.

Skills: Ruby on RAILS framework (MVC design pattern), Git, Git Hub, HTML, CSS, Javascript, AJAX, Bootstrap, UI and UX

Projects

Travel Map [🔗](#)

The final project of Bootcamp at Le Wagon.

Every day, I talked about issues, bugs, and unfinished features on Trello with teammates and solved problems by sharing screens, I learned how to implement programming as a team.

Moreover, I have debugged many times which taught me how important capturing a whole project is.

Professional Experience

Part-time manager

Brickny Europe GmbH [🔗](#)

Oct 2018 – May 2022 | Dusseldorf, Germany

Organizing workflow at two restaurants Umaimon and Yaki-the-Emon and was responsible for training and guiding employees, and assisting with the kitchen.
